## Report Summary

### Report

On March 17, 2025, a significant rally under the theme "Drug-Free Tamil Nadu" was held in Attur. The event aimed at raising awareness about the dangers of drug abuse and promoting the vision of a drug-free society in Tamil Nadu. The rally was organized with the objective of engaging the community in a collective effort to combat the increasing menace of drug addiction and its adverse impact on health, families, and society. The rally was led by **Dr. J. Josephine Daisy**, an expert and dedicated advocate in the field of healthcare and social well-being. Dr. Daisy, a respected resource person, delivered an enlightening speech on the harmful effects of drug abuse and the critical role of individuals and communities in preventing and eradicating drug addiction. She highlighted the importance of early intervention, education, and social support in the fight against drugs. The rally featured a large group of participants from various age groups, including students, community leaders, and local residents. They carried banners and placards with powerful messages calling for the eradication of drugs and encouraging people to make positive life choices. The enthusiasm and energy of the participants emphasized the collective commitment to addressing this pressing social issue. The event concluded with a call to action from Dr. Daisy, urging everyone to remain vigilant and united in creating a society where drug abuse no longer holds a place. She emphasized that a drug-free Tamil Nadu is not just a dream but an achievable goal if everyone works together in spreading awareness and taking preventive measures. The "Drug-Free Tamil Nadu" rally was a resounding success, marking an important step towards raising awareness and empowering communities to fight against the devastating impact of drug abuse.
