## Report Summary

### Report

Prof. Mario Cassion Anand commenced the program with a warm welcome to all attendees. He highlighted the significance of coming together as a community to address the pressing issue of drug consumption. Rev. Dr. Danis Ponnaiah extended his felicitation to the program organizers and speakers. He spoke about the moral and spiritual dimensions of addressing drug addiction, emphasizing the importance of collective efforts and compassion in supporting affected individuals and their families. Dr. Josephine Daisy, Principal provided an insightful introductory note, setting the context for the day's program. He outlined the objectives of the awareness initiative, which include increasing understanding of the effects of drug consumption, promoting preventive measures, and highlighting available support resources. He stressed the importance of community involvement and the role of educational institutions in fostering a drug-free environment. Mr..M.Sathish, Life bSkill Trainer, Wisdom Foundation delivered a compelling address as the chief guest. His presentation covered the following key points, he explained the various physical health consequences of drug abuse, including cardiovascular problems, respiratory issues, neurological damage, and organ dysfunction. He discussed the link between drug consumption and mental health disorders such as depression, anxiety, and psychosis. He highlighted how drug addiction affects relationships, economic stability, and legal status, underlining the broader societal impact. He provided an overview of effective prevention strategies, including education and community programs, and detailed various treatment options available for individuals struggling with addiction. Her address was well-received and provided a thorough understanding of the multifaceted effects of drug use. Prof. Mario Cassion Anand, Anti-Drug Club Member concluded the program by expressing gratitude to all speakers, attendees, and organizers. He acknowledged the valuable contributions of each participant and reinforced the commitment of the Anti-Drug Club to continue its efforts in raising awareness and supporting drug abuse prevention initiatives.
