EXTENSION PROGRAMME

“SHINE”

(Students Humane Involvement in Neighbourhood Empowerment)

Vision, Mission and Values of the Department

Vision: To make the students socially responsible citizens who are sensitive to the needs of disadvantaged sections.

Mission: To create a society with committed youth to promote education, health and environment for the less privileged.

Values: With love and concern for others, students should dedicate themselves to community service, thereby making them men and women for others.

Goal: We hope to bring about social, cultural and economic empowerment in the neighbourhood communities for a sustainable development and positive change.

Objectives

1. To Sensitize the students on their social responsibility towards the poor and the needy
2. To Provide an exposure to the rural villages and urban problems in the slums and create an ambience to reflect on the possible ways of development.
3. To Learn from the people's living experience and try to create awareness for empowerment.
4. To Initiate team processes and build student leaders for societal change.
5. To Make our institutions and individuals to realize our duty towards serving the neighborhood communities.

Learning Outcomes:

Students will

- Explain rural India and rural issues at the first-hand level through exposure.
- Develop a culture of team work that is essential to help the rural people
- Analyze the composition of the community and its relationship with other social/power structures.
- Acquire social skills such as observation, dialogue and analysis.
- Develop interpersonal relationships and enhance their leadership qualities.
- Categorize issues such as poverty, powerlessness, gender issues, child abuse, migration and alcoholism through regular contact with the urban community

Annual Report

“Shine” is an extended activity of Loyola College, Mettala. In order to make the students socially responsible citizens who are sensitive to the needs of disadvantaged sections. The college has adopted seven villages from five different Pachayat unions. It implements Shine in three phases in the first phase students will study the socio, economic and cultural background of the people. In the second phase students will analyze the problems and needs of the village and in the third phase students will contribute for the development of the village. One day village visit was organized on 15-03-2023. In this academic year students have visited and studied the following villages. Malayalapatty and Karunkalpatty from Ayilpatty Panchayat, Thandagaundapalayam from Mangalapuram panchayat, Vellalagundam from vellalagundam panchayat, Pethayanackanpatty and Kappaluthu from Karkoodalpatty panchayat, Thirumanur from Thirumanur Panchayat, Veppilaiupatty from veppillaipatty panchayat and Thirumanur from Thirumanur Panchayat. They meet the people in their home and studied their educational, economic and social state. This visit provides an exposure for the students to have an experience in rural villages. This pastoral setup also provided them to know the agricultural background and difficulties of the farmers.

All the second year undergraduate students have been sent for village visit. Students of II B.A. English visited Veppilaiupatty Village, Students of II B.B.A STUDENTS visited Thandagaundapalayam Village, Students of II B.C.A visited Thirumanur Village, Students of II B.Sc Computer Science visited Karungalpatty and Malayalapatty Village, Students of II B.Com visited Vellalagundam Village, Students of II B.Sc Maths, II B.Sc Physics and II B.Sc Chemistry visited Petthanackenpatty and kappaluthu Village.

Students were given the opportunity of meeting the villagers. They also studied the geographical potential of the lands. They studied the economic state of the village. They analyzed the facilities available in the village namely, Education, Hospital, Bank and Transport. Students also studied

the agricultural farmers and studied the way of cultivation and irrigation. They were also given the input of farming. Students also visited the primary schools located in the village and they taught the school students for some time. It was a meaningful experience for the students.

Learning Outcomes:

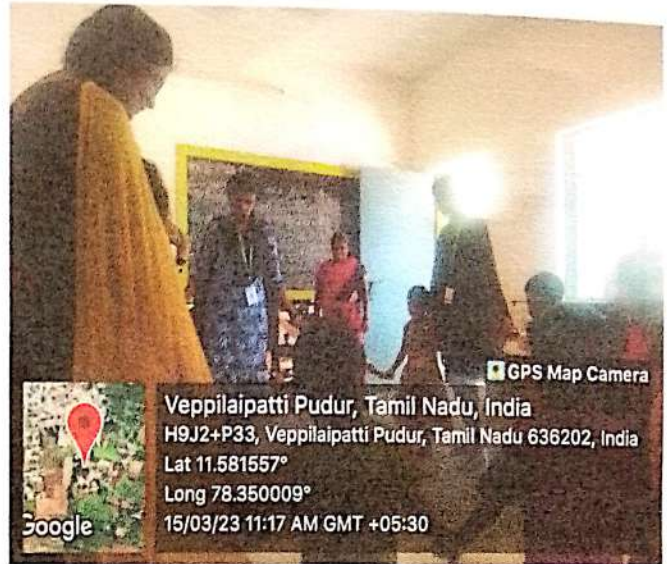

1. Students were given the opportunity of meeting the villagers.
2. They also studied the economic and social state of the village.
3. They analyzed the way of farming of the village.
4. Students were given privilege of teaching in the primary schools.
5. They also taught the children of Anganwadi in the respective villages
6. They also studied the educational state of the village.
7. They were also given ways of cattle caring.
8. They analyzed the basic facilities of the villages.
9. They interacted with the daily wagers about their income.
10. They studied the state of various goods vendors.
11. They were given inputs by certain entrepreneurs of the village.

EXTENSION PROGRAMME (2022-2023)

“SHINE”

Students humane involvement in Neighborhood Empowerment

The Community Outreach Program was initiated by Loyola College of arts and science Mettala in the academic year 2022-2023 to develop. The program was designed to engage our students' in-service community activities through joining hands, where they have the opportunity to interact with village people in Thandagaudampalayam. Through the support of extension programmed Activity in Loyola College of arts and science. The Outreach program enables the students to meet with the daily demand faced by the people in the community for counseling, support, direction, and also assists many basic necessities such as shelter, food, clothing, employment opportunities and medical services. Relying upon the development of trustworthy and unconditional relationships, the students can strive to motivate and empower these people to explore their options and meet new challenges to work towards bettering their current life situations.
